Safe Routes to School Post Award Workshop

Planning for Success

Please join us for the first workshop for Safe Routes to School Program award recipients. Both new awardees and past awardees can benefit from this interactive workshop.

Attendees will hear from INDOT personnel, metropolitan planning organizations (MPOs), local government representatives and consultants who have worked on local SRTS programs, projects and activities. Please bring any questions you may have.

Awardees can discuss starting and maintaining their programs and share information on issues and challenges. Techniques for planning and encouraging successful programs will be highlighted
